

EXPERIENCED GP, WANGARATTA

Ovens and King Community Health Service delivers a broad range of primary health services including health promotion and education, counselling services, medical and nursing clinics, drug and alcohol services, community inclusion and social support, youth services and palliative care. It is located in Wangaratta, one of the main regional centres in North East Victoria and gateway to outstanding tourism, leisure, lifestyle and educational opportunities.

We are seeking an experienced GP to conduct generalist health sessions.

Practice nurse, drug and alcohol withdrawal nurses and generalist counsellor support available. We are a fully computerised clinic using Medical Director and PracSoft.

Hours of work are full time: 10 sessions per week (between Mondays to Friday 9.00 am to 5.00 pm). Salary is negotiable including attractive salary packaging options.

For further information please contact Ann Wearne, CEO, Ovens & King Community Health Service on 03 5723 2000.
